Eighth Annual Dania Beach Arts & Seafood Celebration Returns with a Generous Mix of Performance, Visual and Culinary Arts

*Free, Two-Day Live Music, Fine & Craft Art and Food Festival is Back
Saturday & Sunday, April 2 & 3, 2022*

Dania Beach, FL: Something is cooking in Dania Beach! Dania Beach Community Redevelopment Agency (CRA) and the City of Dania Beach proudly present the eighth annual Dania Beach Arts & Seafood Celebration on Saturday and Sunday, April 2 and 3, from 11 a.m. - 8 p.m. on Saturday and from 11 a.m. to 6 p.m. on Sunday, at Frost Park, 300 NE 2 Street, Dania Beach. Free admission and free parking.

The award-winning event includes live music and entertainment, mouthwatering culinary chef showcases and tastings, visual arts, performance artists, a juried art exhibition, a giant sand sculpture being built over the two days, interactive activities, culinary vendors and food trucks, dessert artisans, children's activities and more.

Dania Beach Mayor Tamara James notes, "Dania Beach, Broward County's first city, is alive with thriving arts, hospitality, and marine communities. What better way to celebrate the city than to bring back this family-friendly event that has been a success year after year. We look forward to welcoming guests from throughout South Florida to our celebration."

Like most major events during the COVID-19 pandemic, the popular festival was canceled in 2020 and 2021. While restrictions have been lifted, there will be safety measures to ensure patrons and vendors feel safe during this year's festival.

At the free festival, enjoy live music featuring headlining tribute band, Queen International Tribute Show Band on Sunday, and 4NR2: Foreigner Tribute and Rocks Aerosmith Tribute on Saturday, as well as musical offerings from Paul Anthony and the Reggae Souljahs, Whipping Post, Catabella Music, Kedesh Cornelius, Big City Dogs and School of Rock.

Bring your appetites to feast on a cornucopia of delicious seafood and other specialty treats available through vendors, food trucks, and local culinary artists at the Chef Showcase where you will find Johnny Alarcon Ruiz, Findler Charles and Tahnee Rolles, among others.

There is more than just browsing and purchasing from a variety of artists booths, you can also experience art in the making. Watch and interact with local artists as they take center stage at the street art live theater. This year, professional artists Andrew Moschburg, Marcos Conde, and Ivan (IVO) Yanez will bring blank canvases to life with their own masterpieces.

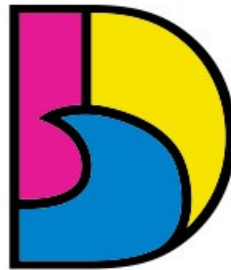

Major sponsors include The Casino @ Dania Beach and FPL. For more information on schedules performances and more, visit DaniaBeachArtsandSeafoodCelebration.com.
